

# Women's Circle

The circles of women around us  
weave invisible nets of love that  
carry us when we're weak and  
sing with us when we are strong.

For thousands of years women  
have gathered and shared their  
thoughts, feelings and ideas.

Now more than ever we need  
community and belonging.

We invite you to join us in  
celebration of feminine energy and  
the unique gifts of sisterhood!
